

Team ID	PNT2022TMID11670
Project Name	IoT Based Safety Gadget for Child Safety Monitoring & Notification

## Cloudant DB:

The screenshot shows the Cloudant Dashboard interface for a database named 'childsafety'. The document ID is '015e5f6f53d22612fb2ba43d58be066c'. The document content is displayed in a JSON format:

```
{
  "_id": "015e5f6f53d22612fb2ba43d58be066c",
  "_rev": "1-c1e1a2ff26e1384d24d656bcec8d035f",
  "Name": "Moulikrishnan",
  "Age": "20"
}
```

Buttons for 'Save Changes' and 'Cancel' are visible. A notification at the top right states 'Document saved successfully.' A OneDrive notification at the bottom right indicates 'Screenshot saved'.

The screenshot shows the Cloudant Dashboard interface for the 'childsafety' database, displaying a list of documents. The document ID is '015e5f6f53d22612fb2ba43d58be066c'. The document content is displayed in a JSON format:

```
{
  "_id": "015e5f6f53d22612fb2ba43d58be066c",
  "_rev": "1-c1e1a2ff26e1384d24d656bcec8d035f",
  "Name": "Moulikrishnan",
  "Age": "20"
}
```

Buttons for 'Save Changes' and 'Cancel' are visible. A notification at the top right states 'Document saved successfully.' A OneDrive notification at the bottom right indicates 'Screenshot saved'.
